# Custom Provisioning

*In order to accommodate different provisioning needs, we have provided you with different types of provisioning packages from which to choose. Within each we offer you the choice of casual or gourmet fare. With this variety, you can decide whether to eat all meals on board or sample some of the local cuisine at our restaurants. Please note that unfortunately we can not mix and match the casual and gourmet meals.*

*In order to make these provisioning packages suit your personal needs, please make your own favorite choices for breakfast, lunch and/or dinner items on the next few pages. In the event that a particular item is unavailable substitutions will be made.*

*If you would prefer to create your own "shopping list" this can be downloaded from our website [www.horizonyachtcharters.com](http://www.horizonyachtcharters.com) or you may request a copy from our office.*

To place your order, mark your selection below with a check  and then indicate how many people you wish to provision for. Please note there is a 7 day minimum.
