Horizon Yacht Charters celebrates its Fifth Anniversary this year. In December 1999 Sylvia Driver and Andrew Thompson started with a fleet of 3 yachts. Spurred on by the desire to provide well maintained yachts and first class customer service at exceptional value, they recruited an experienced and highly motivated team to help realise their dream.

This vision remains the backbone of the business and we are pleased to announce that, five years on, Horizon Yacht Charters is the fastest growing charter company in the Caribbean with a fleet of 40 yachts in the British Virgin Islands, 14 yachts in Grenada (currently in its fourth year of operation) and 11 yachts in Antigua (which celebrated its first anniversary in November).

We still have some availability for January 2005 AND we are offering Line of Sight readers a spectacular 20% off any 7 night or more charter for new bookings for charters up to March 19, 2005 – make the most of these great rates and sail away in the sun! Please mention LOS13 when making your booking to get this exclusive discount.

We look forward to hearing from you and to welcoming you at any of our bases soon.
