The start of the year is a great time to plan that well deserved vacation. Why not arrange a reunion with friends and family in a paradise setting or take a last minute winter 'sail away' treat in the sun or learn to sail or hone your skills with our ASA qualified instructors? We now offer you an increased choice of bareboat or skippered yachts and, with the opening of our base in St Martin, we have increased the Horizon Yacht Charters bases in the Caribbean where you can explore, experience and enjoy 2006.

Best wishes for a happy, healthy and prosperous year
