### **Grenada Post Ivan Recovery Update**

In the year since the passage of Hurricane Ivan, there has been a great effort to repair much of the damage to the buildings around the island. The historical town of St. George's was back in business within weeks of the storm but some of the wonderful churches remain exposed without roofs as resources are directed to homes and schools. With upgraded hotels and restaurants now open, the quality of services available on the island has increased significantly. The beautiful Grenadines that escaped Ivan remain a sailor's paradise.

**In addition to [our fleet](#)** of Bavaria 38, 46 and 49 and a range of other brand name yachts, we are pleased to offer you a brand new [Bavaria 42](#) (3 cabins/ 2 heads) 2005 for charter.

**Welcome Club cards** introduced earlier in the year have proved to be very useful for guests when going ashore. Over thirty companies have signed up to partner this initiative, offering great savings to Horizon clients throughout Grenada and the Grenadines.
