

## Horizon Yacht Charters is 10 years old! 1998 - 2008

The past decade has been an exciting journey of development for Horizon Yacht Charters throughout the Caribbean. It all began with [Horizon Yacht Charters \(BVI\)](#), established in 1998 by Sylvia Driver and Andrew Thompson. Between them they shaped the future of Horizon Yacht Charters, and created a Caribbean-wide company that is absolutely unique in the charter industry.

Horizon expanded into [Grenada and The Grenadines](#) in 2000 in partnership with base owner-operators James and Jacqui Pascall. With over 20 years of combined experience in the yachting industry they guarantee the dream sailing vacation.

The third location, [Antigua and Barbuda](#), first opened its doors in November 2003. Owned and operated by Al and Jackie Ashford, their passionate commitment to customer service and meticulously maintained yachts further enhances the Horizon reputation.

Horizon's fourth location swung into action in 2006, 'the friendly island' of [St Martin](#), owner operated by David Duong.

Each base has grown steadily and Horizon remains the number one charter company for quality yachts and first class service. How do we know this? Our guests keep coming back! So we would like to thank YOU for helping Horizon Yacht Charters become what we are today.
