RACING MASTERCLASS

British Virgin Islands

HORIZON

HOLMBERG

IC24

An America's Cup helmsman, a Horizon yacht, an IC24 and 7 nights of cruising, including 4 days of fleet racing in the British Virgin Islands.

Horizon Yacht Charters have teamed up with former World No 1 ranked Match racer, America's Cup Alinghi team helmsman, Maxi World Champion and Olympic Silver medalist, Peter Holmberg, to offer a Racing Masterclass.

Identical IC24's from Racing in Paradise will be used for the Masterclass sessions and Horizon yachts will be used as motherships as participants race and cruise to different overnight stops in the British Virgin Islands. IC24s are modified J24s and they are the fastest growing one-design fleet in the Caribbean.

The programme is aimed at racing enthusiasts who want to learn from the best. Peter's relaxed personal touch coupled with his island heritage make him a natural coach.
