The Grenadines are comprised of a string of idyllic islands stretching between the main islands of Grenada and St Vincent and contain a myriad of turquoise bays and palm fringed anchorages to explore. The central Grenadine islands are tightly spaced and it is never more than a few miles sailing to the next anchorage. Mayreau, Bequia, Mustique - stunning locations and all located within the same cruising area!

The absolute jewel in the crown is the Tobago Cays - a breathtaking selection of small islands protected by a mile long horseshoe reef. Abundant in spectacular sea life, guests regularly report swimming alongside turtles!

Grenada itself is 'spice isle' of the Caribbean with St George's the most traditional capital town of all the Caribbean. The mountainous interior is covered in lush rain forest and old plantations of nutmeg and cocoa, with waterfalls nestled deep in the valleys. There is even a chocolate factory to satisfy the chocaholic in you.

We also offer charter starts in St Vincent, Union Island or any other island of your choice.
