Antigua boasts direct flights from the UK, Canada and Germany, parts of the US, plus up to four flights via San Juan each day. If family commitments have you staying at home this Christmas and the holidays, why not join Horizon Antigua in early to mid December? ### **Autumn Sailing in the BVI**

The BVI is livening up once again in anticipation of the new season ahead where there is a horde of things to do while on charter! The 50 or so islands in the BVI are heaven for water babies. You can sail through the trade winds, seek deserted beaches accessible only by boat, or try your hand at a new sport like windsurfing. Alternatively, if you don't want to just marvel at the scenery above the water consider going on an unforgettable adventure below the waterline! Dive around the forbidding shipwrecks steeped in legends of piracy and sunken treasures.

There are countless shipwrecks around the world and one of the top 5 wreck dives in the world can be found right here in the BVI, *RMS Rhone*. The 310' British Steamer sank off Salt Island during a hurricane in 1857. Lying semi intact, in depths ranging from 20 to 80 feet, *RMS Rhone* is a 'must see'! Why not book your charter and arrange a 'rendez-vous' dive this season! Yachts are booking fast, so [e-mail us](#) now for availability. If you can't visit this season come and sail and dive anytime with Horizon Yacht Charters – the adventure does not stop! Diving course available at [Blue Water Divers](#), Nanny Cay, Tortola.

### **BE MY VALENTINE ... in St Martin/St Maarten**
